do hereby grant to Innovarte Servicios Jurídicos limitada, and to the attorneys-at-law Messrs. Luis Villarroel Villalón, and Francisco Ismael Berguecio, of Santiago, Chile, a full and sufficient power of attorney to apply jointly or separately, to the proper bureaux and authorities for the issuance of Intellectual and/or Industrial Property Rights, such as patents, utility models, industrial designs, trademarks, domain names, plant varieties, sanitary registrations, and all other related rights, to which end they shall be empowered to take all necessary steps before the said authorities for the object stated and in defense of their industrial and/or intellectual property rights, such as: file applications, make declarations, accept transfers, pay taxes, prove workings, request certified copies, receive documents, submit evidence, enter appeals and objections, compromise, withdraw and collect. They shall further be empowered to institute legal and judicial actions, including civil and criminal suits against infringers, counterfeiters and imitators of any of the aforesaid rights; request approval and registration of license agreements; purchase, sell and cede trademarks; partially or totally cancel registrations; assign applications and registrations; file oppositions and withdraw same, and do all and whatsoever shall be necessary before any judicial or administrative authorities for the purposes hereinabove stated, with power also to appoint a substitute hereunder.

por el presente otorgan a Innovarte Servicios Jurídicos limitada, y a los abogados Sres. Luis Villarroel Villalón, y Francisco Ismael Berguecio Martinez, de Santiago de Chile, poder amplio y suficiente para que, conjunta o separadamente, soliciten de las oficinas y autoridades que corresponda la concesión de derechos de Propiedad Intelectual y/o Industrial, tales como patentes, modelos de utilidad, diseños industriales, marcas comerciales, nombres de dominio, variedades vegetales, registros sanitarios y demás derechos relacionados. Con este objeto, los facultan para efectuar ante dichas autoridades todas las gestiones necesarias con la finalidad indicada y en defensa de sus derechos de propiedad industrial y/o intelectual, tales como: presentar solicitudes, hacer declaraciones, aceptar transferencias, pagar impuestos, justificar explotaciones, solicitar copias autorizadas, recibir documentos, aportar pruebas, deducir apelaciones y reclamos, transigir judicial y extrajudicialmente, desistirse y percibir. Asimismo los facultan para entablar acciones legales y judiciales, inclusive acciones civiles y querellas criminales contra los infractores, falsificadores e imitadores de cualquiera de tales derechos; solicitar la aprobación e inscripción de contratos de licencia; comprar, vender y ceder marcas comerciales; cancelar parcial o totalmente registros; transferir solicitudes y registros; deducir oposiciones y retirarlas y hacer cuanto fuere necesario ante cualesquiera autoridades administrativas o judiciales para los efectos arriba indicados, dándoles también facultad para delegar el presente poder.
